To Prospective Bidders:

Subject: Addendum 1 for: Installation of Sidewalk and Curb and Gutter

CONTRACT No: DM00138
TIP: ER-2971
FA: 000S-424
WBS: 3613.3.FD12
COUNTY: Buncombe

This letter is to advise all prospective bidders of the following contract addendums.

- Grading for the project will be considered incidental to other bid items. The contractor will be allowed to waste excavated material on the project fill slopes in order to achieve a shoulder behind the sidewalk. The "face of sidewalk" will be staked in the field at 2-3 feet from the back of curb to show the desired location. A minimum 1 foot shoulder width will be required behind the sidewalk at the fill slope.
- Erosion control will be considered incidental to other bid items. The contractor will be required to install silt fence at locations where excavated waste material is incorporated into the slopes.
- NCDOT will remove all guardrail within the limits of the project.

This addendum issued by the North Carolina Department of Transportation for the subject contract is considered a part of the contract bid document and shall be returned with the bid proposal. Proposals submitted without this addendum shall be considered irregular and will not be considered for award. The contractor shall take these modifications into account when bidding.
